About GPE 2025

New Product Showcase

[BRIEF LINK](#)

Background: Elanco has rebranded their line of supplements to “Pet Protect” and would like to celebrate this new brand in GPE’s “New Product Showcase”.

They have **7 total vet-formulated supplements that protect pets from nose to tail**. This is a high-visibility area for exhibitors to highlight new pet products, and it’s an opportunity for key international and domestic buyers to see what’s hot in the industry.
